

CHESHAM BOWLING CLUB

NEWSLETTER

March 2022

The new season is upon us and we need help, as usual. The green edging is in need of replacement so work parties please, reporting to Geoff Denham for Monday 28th March, probably only 3 or 4 mornings work

Cine Supper Come along on Thursday 7th April at 6pm for a Chicken casserole and your film for the evening all at a mere £8.00. Please book with Jayne Denham. 01494 837405

Opening of the Green We need a few souls to have a clear up for this very important day. Nothing major just sweeping and general duties. If you can spare a hour or so it would be nice to see you.

Painting I know some of you really enjoy painting. I have brought emulsion for the clubhouse so if you fancy a bit of slapping around , please let me know. The new posts on the bank are just about done and need another coat of paint, nice and easy job for a warm morning. Paint on site ready to go.

New Clock We have a nice new clock thanks to Norman Green, in blue and gold, in memory of Fay. I think you will agree it is better than the old one and does not go backwards when disturbed, unlike some of our members.

Markers Course On the 23rd April we are doing a Markers awareness course, poster in the clubhouse. Come and learn how to mark properly and solve what happens when things go wrong!

Tony needs a couple of helpers for light grass trimming around the perimeter of the green. A couple of hours twice a month to keep the edges tidy.

Friday morning League. We are running a Friday morning league with prize money, hopefully you have seen the email. We already have 3 teams so do not delay if you want to take part.

Friday night club league Would you like the Friday night “Animals” league to start earlier in the season, we could add a quiz and darts or other activities, let us know. If you want food let us know and we will see what can be arranged.

Finally When opening the gates, please either ensure the padlock is left on the hasp, closed and scrambled.

HAPPY BOWLING

John

Keep well and safe.
