

CHESHAM BOWLING CLUB  
NEWSLETTER *September 2021*

As we come to the end of our outdoor season I think you will agree that it has been nice to get back to some kind of normality. Being able to mix with others has been great. Long may it continue.

We have held 2 Gala days, one for the Ladies and another Mixed. Both went extremely well and everybody enjoyed themselves. I am pleased to say the club made a profit on both occasions. Well done to those who organized and catered for both events. What would we do without you.

As you probably know we had a wake for Pam Hooper on the 10<sup>th</sup>. It was well attended and thanks to Helen and Margaret for the catering.

County finals were played at the club on a very wet Saturday and Sunday, the green flooding on Saturday, but all was completed except the singles which was played on the Wednesday evening. John McGuinness narrowly beating Gerry Smythe 21 – 19.

Bucks Cup and Plate, Vi Trundel and Burnham Plate finals were held last Sunday. The buffet catering was for 100!. A superb spread over 2 sittings, the ladies and gents did the club proud with many compliments from the attendees.

The nomination sheets are up in the clubhouse, so go down and add your name for officers and committee. We cannot run the club without them.

Captain V President is our last outdoor game, email me if you want to play or add your name to the sheet in the clubhouse. Always a good afternoon. Any ideas for supper? Would you enjoy burger in a bun?

Finals sheets are in the clubhouse and have been emailed to all. A bit of a nightmare this year for various reasons but hopefully I have got it right after 3 attempts. Look forward to seeing you there to cheer on your favourites. Presentation lunch will be on the **7<sup>th</sup> November**. Watch out for the invite.

Shortmat is due to commence shortly and there is a meeting on Wednesday evening. Come along. Shortmat beginners can come on Saturday 2<sup>nd</sup> October, 10am when we can explain how to play and the rules etc.

Watch out for coffee mornings and other social events organised by Geoff Denham.

Maintenance is commencing now that the season is nearly over, Tuesday and Thursday mornings seem to work well. The clubhouse and sheds need painting, I have the paint and brushes etc. so just need bodies. Get in touch so we can organise. Also end of season work party to put away benches and ditch mats etc.

John

Keep well and safe.
